

## KIDCO LEBANON

Lebanon, OR

Kids and Company (KidCo) is a single purpose non-profit head start program that serves thousands of need-based children around the Northwest. As part of their ongoing expansion, KidCo needed a new facility to increase service hours for children and parents the community of Lebanon, Oregon. After having to tango with the local jurisdiction for some time, KidCo was able to get the building approvals and Modern was able to get the building up and running within a matter of weeks. Today the building has increased their service hours to 6.25 hours per day and employ's 33% of local parents who qualify for the Head Start Program.

## PROJECT HIGHLIGHTS

- The building has dimensions of 82'x153'.
- The building area was 12546 square feet.
- The foundation is Stem Wall.
