

CHEHALEM GOLF

Newberg, OR

Chehalem Glenn Golf Course in Newberg OR was looking for a clubhouse and cart storage with maintenance space. Modern designed two complimenting structures. The clubhouse includes a pro shop, a spacious interior dining area, and a cozy covered dining patio. The separate cart storage building includes individual cart garages with roll up doors for members' carts, as well as over 3,200 sq.ft. of covered parking for the club's fleet. Each parking space includes a charging station to keep the carts in active daily use. A service and repair shop, parts storage and office put storage and maintenance under one convenient roof with a concrete slab floor for easy care.

PROJECT HIGHLIGHTS

- The building has dimensions of 70'x64'.
- The building area was 4480 square feet.
- The foundation is Stem Wall.
